

Audition Performance Piece

ACT Senior Concert Choir 2022

'Fly Away Home' by Pinkzebra

Please practise and memorise this song as you will be asked to perform it as a solo at your audition. This year you will be required to sing the whole song, not just a section. You may choose the part that best suits your voice range. There are 3 options: Soprano (high), Alto (mid range) and Baritone (slightly lower part). If you are not sure which part suits your current voice range, try singing with the recordings to see what you are comfortable with. The parts are marked in red on the music copy.

I may also ask you to sing some vocal exercises so that I can assess the range and tone of your voice.

For boys whose voices are changing, I will make allowances if you are unable to sing the full baritone (or alto) part. You may also wish to choose one of the parts and sing it in a key of your choice. Please come ready to demonstrate what you can comfortably sing at this time.

This year there will be no requirement to sing the National Anthem.

You will be asked to sing 'Fly Away Home' with the accompaniment which will be played for you. Please practise singing your part with the accompaniment track. You do not need to be able to read the music as you will be supplied with practice tracks for each part of the song – Soprano, Alto, Baritone in order to be able to learn your part well.

The choir auditions are usually conducted in small groups. You will be asked to sing together and also to perform your solo in front of 2 - 4 other students.

I am looking forward to meeting you and hearing you sing.
